

ENTP

Your life's motto: "Life's entrepreneurs"

Curious, likes new projects, usually big projects with big budgets. Likes being with powerful, influential people, likes fast-paced work, has an active imagination, visionary, good at anticipating trends.

Your life's challenges:

Be sure to prioritize

Focus

Follow through, especially with commitments to others

You are especially satisfied with work that:

Gives you opportunities to engage in creative problem solving

Lets you be innovative and efficient

Encourages your creativity, competency, and ability to improvise

Involves situations filled with fun, action, and excitement

Follows a logical order and is based on fair standards

Lets you increase your professional and personal power and interact with other powerful people

Lets you meet and have constant interaction with many different people

Can be done in a rapidly changing, high-energy environment

Is done in a casual and unstructured environment that allows for a high degree of personal freedom

Allows you to design or start projects but does not require you to follow through with tedious details

Some careers you may find particularly satisfying; this is not a full list of careers, just some possibilities.
